

# STREAMWOOD LITTLE LEAGUE SPONSORSHIP 2018

## A LIFETIME OF MEMORIES BEGIN HERE...

Dear Community Business:

We're fast approaching the beginning of another fun season of Streamwood Little League Baseball and we need your Help! Without your generous contributions we simply could not provide the first-rate program that we offer. The financial support of our community helped us advance the quality of Little League play for 300+ families during the 2017 season! Sponsorships help us to:

- Offset the costs of equipment, uniforms, maintenance and all associated costs of conducting our league.
- Fulfill player scholarship requests, so that every child who wants to play is provided for
- Provide training to our coaches, offering them guidance on teaching the game but more importantly emphasizing our commitment to sportsmanship, fair play, growth and fun
- Maintain an affordable program for every family

The Streamwood Little League has been part of the community for over 50 years. The SLL Board of Directors, managers, coaches, and assistants are all volunteers and run the League along with parents and friends. We have had the privilege to provide a safe learning environment to educate young players, ranging in age from four to fifteen, in sportsmanship, honesty, courage, and self-discipline. SLL enjoys several games a day with our stands packed with friends, family and neighbors. Many of our team's travel to other local communities as well. Streamwood Little League believes in community. This sense of community is not based upon borders, but people.

We would ask that you consider one of several sponsorship opportunities that would benefit the League and your business. The names of our sponsoring business are used in electronic communications associated with the Little League and acknowledged in our Opening Day ceremony. The traffic to our League website demonstrates the added value of your generous sponsorship of a Streamwood Little League team. Last year's sponsors are still posted on our website, [www.streamwoodll.org](http://www.streamwoodll.org) and have enjoyed this positive advertising exposure as the families, friends and relatives of our players visit the site often.
